 - ◆ **Duration:** 3 Terms • In-class - Term 1, 2 & 3 - 2026
 - ◆ **Work placement:** Not required (hours credited from Certificate II CHWB)
 - ◆ **Cost:** FREE
 - ◆ **Location:**
 - ◇ Nedlands

SCAN ME!

The **Certificate III Health Services Assistance** builds on from the foundational skill and knowledge learnt at the certificate II level. It equips students with the expertise and knowledge needed to excel in roles focusing on patient and client care. It is the minimum qualification to work in the WA healthcare system and will open a variety of career opportunities. Upon successful completion students may go on to work as an Assistant in Nursing, Patient Care Assistant or Support Worker. It's the ideal qualification for those looking to work in a more hands-on role and continue their studies further into nursing and related fields.

15 Units of Competence
(Credit Transfers will apply)

Year 12

► Certificate IV in Preparation for Health and Nursing Studies

◆ Pre-requisite:

- ◇ C Grades in year 10 WACE English and OLNA OR NAPLAN 9 Band 8 OR prior studies at Cert III level or higher

◆ Duration: 3 Terms • In-class - Term 1, 2 3 - 2026

◆ Work placement: Not Required

◆ Location: Nedlands

◆ Cost: \$2400

- ◇ Payment plan available \$800 per term

The **Certificate IV in Preparation for Health and Nursing Studies** is intended to provide students with the underpinning knowledge and skills in anatomy & physiology, medical terminology, health mathematics and the application of the fundamentals of physics and chemistry to nursing practice. Students will also develop an understanding of how microbiology is related to health care and the use of effective academic skills, including presentation of work. This course will help satisfy the entry requirements for the Diploma of Enrolled Nursing or to support entry into other health or nursing related qualifications at Bachelor Degree level.
