

Student Application Form - Electrical Pre-Apprenticeship

UEE22020 Certificate II in Electrotechnology (Career Start)

COLLEGE OF
ELECTRICAL
TRAINING

Thank you for your interest in the UEE22020 Certificate II in Electrotechnology (Career Start) program at the College of Electrical Training (RTO code 2394). This pre-apprenticeship course provides students with essential skills and knowledge to begin a career in the electrical industry. Completing this qualification can be a pathway to an electrical apprenticeship and future employment opportunities in the trade. This Expression of Interest (EOI) form allows us to understand your interest in the course and ensure you meet the eligibility requirements.

As part of your application, you will be required to complete the below student details and complete your student admission statement. Failure to complete all requirements may affect your eligibility for admission.

In completing this application you give permission to the College of Electrical Training to complete a USI check.

1. LEARNER INFORMATION

Preferred campus	Jandakot	Joondalup		
Surname			Given name	
Date of birth	USI			
Current school year	Year 10	Year 11	Year 12	N/A
Are you of Aboriginal or Torres Strait Islander origin?	Aboriginal		Torres Strait Islander

Address				
Suburb		Postcode		
Mobile Number		Home Number		
Email				

Parent/Guardian contact details in case of emergency (if under 18):

Name	
Relationship	
Mobile Number	Home Number
Address	
Suburb	Postcode
Email	
Contact details in case of emergency (if applicant is 18 or over)	
Name	
Mobile Number	Home Number

2. STUDENT ADMISSION STATEMENT

Please answer the following questions in the below text box. Your responses will help us to understand your motivations and readiness for the program. Please provide details and thoughtful answers. Completing this form does not guarantee a place in the course as spots are limited. We look forward to supporting you in taking the first step toward a rewarding career in the electrical industry.

1. Where do you see yourself in five years, and how do you think a pre-apprenticeship could help you get there?
2. Have you ever worked on a project (at home, school or elsewhere) that involved tools, wiring, or fixing something?
What did you enjoy most about it?
3. What do you know about the role of an electrician, and what aspects of it appeal to you?
4. What do you expect to gain from the course?
